Nidec partners with Blue Cross Blue Shield of Alabama to offer you and your eligible dependents healthcare insurance through a Preferred Provider Organization (PPO). When you receive care in-network you benefit from our negotiated discounts and greater plan coverage for your services. You will pay a copay for certain primary care visits to your doctor or a specialist. The following chart provides an overview of the plan. Nidec also offers eligible employees access to Hinge Health (for joint and muscle care).
